Proxy Statement

INTRODUCTION

The Annual Meeting of Stockholders of Adams Diversified Equity Fund, Inc., a Maryland corporation (the "Fund"), will be held on Thursday, April 15, 2021, at 9 a.m., local time, at the Fund's offices at 500 E. Pratt Street, Suite 1300, Baltimore, MD 21202, for the purposes set forth in the accompanying Notice of Annual Meeting and also set forth below. This proxy statement is furnished in connection with the solicitation by the Board of Directors of proxies to be used at the meeting and at any and all adjournments or postponements thereof and is first being sent to stockholders on or about February 23, 2021.

At the Annual Meeting, action is to be taken on (1) the election of a Board of Directors; (2) the ratification of the selection of an independent registered public accounting firm; and (3) the transaction of such other business as may properly come before the meeting or any adjournment or postponement thereof.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held On April 15, 2021:

**This Proxy Statement, the Notice of Annual Meeting, a form of the proxy, and the 2020 Annual Report to stockholders are all available on the internet at the following website:
<http://www.astproxyportal.com/ast/13579/>**

How You May Vote and Voting By Proxy

You can provide voting instructions by using telephone or internet options as instructed in the enclosed proxy card, or by dating, executing and mailing the proxy card. You may also vote in person at the Annual Meeting, however, even if you intend to do so, **please provide voting instructions by one of the methods described above**. Except for Proposals (1) and (2), referred to above, the proxies confer discretionary authority on the persons named therein or their substitutes with respect to any business that may properly come before the meeting. Stockholders retain the right to revoke executed proxies at any time before they are voted by written notice to the Fund, by executing a later dated proxy, or by appearing and voting at the meeting. All shares represented at the meeting by proxies in the accompanying form will be voted, provided that such proxies are properly executed. In cases where a choice is indicated, the shares represented will be voted in accordance with the specifications so made. In cases where no specifications are made, the shares represented will be voted **FOR** Proposal (1) and **FOR** Proposal (2).

If your shares are held in the name of a bank, broker, or other holder of record, you will receive instructions from the holder of record that you must follow in order to vote your shares. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it with you to the Annual Meeting in order to vote.

If you have questions regarding how to attend the meeting and vote in person, please contact the Secretary of the Fund by telephone at (800) 638-2479 or by email at investorrelations@adamsfunds.com.

Who May Vote

Only stockholders of record at the close of business on January 29, 2021 may vote at the Annual Meeting. The total number of shares of common stock of the Fund (“Common Stock”) outstanding and entitled to be voted on the record date was 110,984,902. Each share is entitled to one vote. The Fund has no other class of security outstanding.

Vote Requirement

For Proposal (1), referred to above, directors shall be elected by a plurality of the votes cast at the meeting. Proposal (2), referred to above, requires the affirmative vote of a majority of the votes cast at the meeting.

Quorum Requirement

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting are present in person or by proxy, a quorum will exist. Proxies received by the Fund that are marked “withhold authority” or abstain, or that constitute a broker non-vote, are counted as present for purposes of establishing a quorum. A broker non-vote occurs when a broker returns a valid proxy but does not vote on a particular matter because the broker does not have the discretionary voting power for that matter and has not received instructions from the beneficial owner. Proxies marked “withhold authority,” abstentions, and broker non-votes do not count as votes cast with respect to any proposal, and therefore, such proxies would have no effect on the outcome of Proposals (1) and (2), above.

Appraisal Rights

Under Maryland law, there are no appraisal or other dissenter rights with respect to any matter to be voted on at the Annual Meeting that is described herein.

Other Matters

The Fund will pay all costs of soliciting proxies for the Annual Meeting. Solicitation will be made by mail, and officers, employees, and agents of the Fund may also solicit proxies by telephone or personal interview. The Fund has retained AST Fund Solutions, LLC to assist in the solicitation of proxies. The Fund will pay AST Fund Solutions, LLC a fee for its services, not to exceed \$2,500, and will reimburse AST Fund Solutions, LLC for its expenses, which the Fund estimates should be approximately \$1,500. The Fund expects to request brokers and nominees who hold stock in their names to furnish this proxy material to their customers and to solicit proxies from them, and will reimburse such brokers and nominees for their out-of-pocket and reasonable clerical expenses in connection therewith.

Fund Complex

The Fund is part of Adams Funds (the “Fund Complex”), which is composed of the Fund and Adams Natural Resources Fund, Inc. (“PEO”), a closed-end investment company that is also traded on the New York Stock Exchange.

(1) NOMINEES FOR ELECTION AS DIRECTORS

Unless contrary instructions are given by the stockholder signing a proxy, it is intended that each proxy in the accompanying form will be voted at the Annual Meeting for the election of the following nominees to the Board of Directors to serve until the annual meeting of stockholders in 2022 and until their successors are duly elected and qualify, all of whom have consented to serve if elected:

Enrique R. Arzac	Roger W. Gale	Kathleen T. McGahran

Frederic A. Escherich	Lauriann C. Kloppenburg	

If for any reason one or more of the above-named nominees shall become unable or unwilling to serve when the election occurs, proxies in the accompanying form will, in the absence of contrary instructions, be voted for the election of the other above-named nominees and may be voted for substitute nominees in the discretion of the persons named as proxies in the accompanying form. As an alternative to proxies being voted for substitute nominees, the size of the Board of Directors may be reduced so that there are no vacancies caused by an above-named nominee becoming unable or unwilling to serve. The Secretary has been instructed by the Board to promptly forward all such communications to the addressees indicated thereon.

Board Meetings and Committees of the Board

The Board held nine meetings (seven regular meetings and two special meetings) in 2020. Each director attended 100% of these meetings. Further information about the Board and its committees is provided below.

Audit Committee

Mr. Dale (Chair), Mr. Escherich, Dr. Gale, and Ms. Kloppenburg, each of whom is an independent director as such is defined by the rules of the New York Stock Exchange, and none of whom is an “interested person” as such is defined by the Act, constitute the membership of the Board’s Audit Committee, which met four times in 2020. The Board has determined each of Mr. Dale, Mr. Escherich, and Ms. Kloppenburg to be an audit committee financial expert, as that term is defined in federal securities regulations. The Board has adopted a written charter under which the Committee operates. A copy of the Audit Committee Charter (“Charter”) is available on the Fund’s website: adamsfunds.com. Set forth below is the report of the Committee:

Audit Committee Report

The purposes of the Audit Committee are set forth in the Committee’s written Charter. As provided in the Charter, the role of the Committee is to assist the Board of Directors in its oversight on matters relating to accounting, financial reporting, internal control, auditing, risk assessment and risk management, regulatory compliance activities, and other matters the Board deems appropriate. The Committee also selects the Fund’s independent registered public accounting firm in accordance with the provisions set out in the Charter. Management, however, is responsible for the preparation, presentation, and integrity of the Fund’s financial statements, and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for planning and carrying out proper audits.

In fulfilling its responsibilities, the Committee has reviewed and discussed the audited financial statements contained in the 2020 Annual Report of the Fund with the Fund’s management and with PricewaterhouseCoopers LLP (“PwC”), the Fund’s independent registered public accounting firm. In addition, the Committee has discussed with PwC the matters required to be discussed pursuant to Statement of Auditing Standards No. 61, as modified or supplemented. The Committee has also received from PwC the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC’s communications with the Committee concerning independence, considered whether the provision of nonaudit services by PwC is compatible with maintaining PwC’s independence, and discussed with PwC its independence.

In reliance on the reviews and discussions with management and PwC referred to above, and subject to the limitations on the responsibilities and role of the Committee set forth in the Charter and discussed above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Fund’s 2020 Annual Report for filing with the Securities and Exchange Commission.

Respectfully submitted on February 11, 2021, by the members of the Audit Committee of the Board of Directors:

Kenneth J. Dale, Chair
Frederic A. Escherich
Roger W. Gale
Lauriann C. Kloppenburg

Compensation Committee

Ms. Kloppenburg (Chair), Dr. Arzac, Dr. Gale, and Dr. Smith** constituted the membership of the Board’s Compensation Committee, which met two times in 2020. The Committee reviews and

recommends changes in the compensation of the directors, officers, and employees, including salaries and the cash incentive compensation plans in which the executive officers, officers and employees of the Fund are eligible to participate. The Board has adopted a written charter under which the Compensation Committee operates, a copy of which is available on the Fund's website: adamsfunds.com.

Executive Committee

Dr. McGahran (Chair), Mr. Dale, Mr. Escherich, Ms. Kloppenberg, and Mr. Stoeckle constitute the membership of the Board's Executive Committee, which met two times in 2020. The Committee has the authority of the Board of Directors between meetings of the Board except as limited by law, the Fund's Bylaws, or Board resolution.

Nominating and Governance Committee

Mr. Escherich (Chair), Dr. Arzac, Mr. Dale, Ms. Jammet and Dr. Smith** constituted the membership of the Board's Nominating and Governance Committee, which met four times in 2020. The Board has adopted a written charter under which the Nominating and Governance Committee operates, a copy of which is available on the Fund's website: adamsfunds.com.

Each of the members of the Committee is an independent director as such is defined by the rules of the New York Stock Exchange and none is an "interested person" as such term is defined by the Act.

Among other responsibilities, the Committee supervises and reviews Board composition, director nominations, and corporate governance matters. For director nominations, the Committee leads the search for qualified director candidates, including canvassing, recruiting, evaluating and recommending nominees to the full Board. The Committee has used a third-party search firm to help identify candidates who may meet the needs of the Board.

Stockholders may recommend candidates for consideration by the Committee by writing to the Secretary of the Fund at the office of the Fund, 500 E. Pratt Street, Suite 1300, Baltimore, MD 21202, giving the candidate's name, biographical data, and qualifications, and stating whether the candidate would be an "interested person" of the Fund. A written statement from the candidate, consenting to be named as a candidate, and if nominated and elected, to serve as a director, should accompany any such recommendation.

While the Board does not have a formal policy regarding the consideration of diversity in identifying Board candidates, in practice, the Committee and the full Board considers the diversity of skills, experience and/or perspective a prospective nominee would bring to the Board, both individually and in the context of the Board's existing membership at the time such potential candidate is considered.

**Dr. Smith is retiring from the Board and is not standing for re-election.

Transactions with Adams Natural Resources Fund, Inc.

These expenses were paid by the Fund and, on the date the payment was made, PEO simultaneously paid to the Fund its allocated share of such expenses, based on either estimated time spent for each fund, the

proportion of the size of the investment portfolios of the two funds, relative net assets of the two funds or, where possible, on an actual usage basis. In 2020, the funds incurred \$14,550,626 in shared expenses, and PEO's share of such expenses was \$4,062,241.

2005 Equity Incentive Compensation Plan

In 2005, the Board of Directors adopted and shareholders approved the Fund's 2005 Equity Incentive Compensation Plan ("2005 Plan"). Stockholders reapproved the 2005 Plan in 2010, and it expired by its terms on April 27, 2015. The 2005 Plan was administered by the Compensation Committee, and awarded grants of restricted and deferred stock units and dividend equivalents on those units. All grants under the 2005 Plan vested prior to 2019. Certain restricted and deferred stock units awarded under the 2005 Plan, for which payment has been deferred by election of the recipient, remain outstanding. All deferred and outstanding awards represent rights to receive Fund stock.

Employee Thrift Plans

Employees of the Fund who have completed six months of service may defer up to 100% of base salary and cash incentive compensation to a tax qualified thrift plan ("Thrift Plan") instead of being paid currently, and the Fund contributes an amount equal to 100% of each employee's contribution (up to 6% of base salary and cash incentive compensation) but not in excess of the maximum permitted by law (see footnotes to the Compensation Table set forth on page 14 regarding 2020 contributions for the officers identified therein). The Fund also has the discretion to contribute annually to each employee's thrift plan account an amount of up to 6% of the employee's combined base salary and cash incentive compensation attributable to the prior year's service with the Fund. All employee contributions are credited to the employee's individual account. Employees may elect that their salary deferral and other contributions be invested in the common stock of the Fund or PEO, or a number of mutual funds, or a combination thereof. All of the Fund's matching contribution is invested in accordance with the employee's investment elections. An employee's interest in amounts derived from the Fund's contributions becomes non-forfeitable upon completion of 36 months of service or upon death or retirement. Payments of amounts not withdrawn or forfeited under the Thrift Plan may be made upon retirement or other termination of employment.

The Fund also maintains an Executive Nonqualified Supplemental Thrift Plan for eligible employees of the Fund (the "Nonqualified Plan"). The purpose of the Nonqualified Plan is to provide deferred compensation in excess of contribution limits imposed by the Internal Revenue Code on tax-qualified thrift plans, including the Thrift Plan described above. In accordance with such limitations, for 2020, the maximum annual amount that an individual can defer to the Thrift Plan is \$19,500 for those under the age of 50, and \$26,000 for those age 50 and over, and the maximum combined amount – consisting of both the employee's contributions and the Fund's matching contributions – that can go into the Thrift Plan is \$57,000 per year for those under the age of 50 and \$63,500 per year for those age 50 and over.

The Nonqualified Plan permits an eligible employee to contribute to the Nonqualified Plan up to the maximum amount of 6% of the employee's salary and cash incentive compensation that he or she is prevented from contributing to the Thrift Plan because of the Internal Revenue Code's limitations on annual contributions, and for the Fund to contribute the 100% matching contribution on that sum and/or the Fund's discretionary contribution that would otherwise be limited by the Internal Revenue Code's limitations on annual contributions. The employee's contributions and the Fund's contributions to the Nonqualified Plan are invested in eligible mutual funds in accordance with the employee's investment elections.

Brokerage Commissions

During the past fiscal year, the Fund paid brokerage commissions in the amount of \$1,049,443 on the purchase and sale of portfolio securities traded on the New York Stock Exchange and the National Association of Securities Dealers Automated Quotation System, and on swap transactions, substantially all of which were paid to brokers providing research and other investment services to the Fund. The average per share commission rate paid by the Fund was \$0.03. No commissions were paid to an affiliated broker.

Portfolio Turnover

The portfolio turnover rate (purchases or sales, whichever is lower, as a percentage of average portfolio value) for the past three years has been as follows:

<u>2020</u>	<u>2019</u>	<u>2018</u>
58.7%	61.6%	58.4%

Expense Ratio

The ratio of expenses to the average net assets of the Fund for the past three years has been as follows:

<u>2020</u>	<u>2019</u>	<u>2018</u>
0.60%	0.65%	0.56%

The Board of Directors unanimously recommends that stockholders vote FOR the election of each of the nominees for director.

(2) RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As permitted under the Act, the Audit Committee selected PricewaterhouseCoopers LLP, 100 E. Pratt Street, Suite 2600, Baltimore, MD 21202, an independent registered public accounting firm, for recommendation to the full Board as the independent registered public accounting firm to audit the books and accounts of the Fund for the year ending December 31, 2021. PricewaterhouseCoopers LLP was the Fund's principal auditor during the year 2020. A majority of the members of the Board of Directors who are not "interested persons" (as defined by the Act) have approved the selection of PricewaterhouseCoopers LLP as the Fund's independent registered public accounting firm for 2021. While not required under the Act, the Audit Committee and the Board of Directors have determined to submit for stockholder ratification the selection of PricewaterhouseCoopers LLP as the Fund's independent registered public accounting firm for 2021 at the Annual Meeting. Representatives of PricewaterhouseCoopers LLP are expected to be present at the meeting to make a statement, if they so desire, and to respond to appropriate questions. The Fund has been informed that PricewaterhouseCoopers LLP does not have any direct financial or any material indirect financial interest in the Fund.

Independent Accountant Fees

Audit Fees

The aggregate fees for professional services rendered by the Fund's independent registered public accounting firm, PricewaterhouseCoopers LLP, for the audit of the Fund's annual financial statements for 2020 and 2019 were \$105,430 and \$102,360, respectively.

Audit-Related Fees

There were no audit-related fees in 2020 or 2019.

Tax Fees

The aggregate fees for professional services rendered to the Fund by PricewaterhouseCoopers LLP for the review of the Fund's excise tax calculations and preparations of federal, state, and excise tax returns for 2020 and 2019 were \$22,360 and \$15,700, respectively.

All Other Fees

Other fees for services rendered to the Fund by PricewaterhouseCoopers LLP for 2020 and 2019 were \$2,277 and \$2,052, respectively. Fees were related to licenses for technical reference tools.

The Board's Audit Committee has considered the provision by PricewaterhouseCoopers LLP of the services covered in this **All Other Fees** section and found that they are compatible with maintaining PricewaterhouseCoopers LLP's independence.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. In assessing requests for services by the independent auditors, the Committee considers whether such services are consistent with the auditor's independence; whether the independent auditors are likely to provide the most effective and efficient service based upon their familiarity with the Fund; and whether the service could enhance the Fund's ability to manage or control risk or improve financial statement audit and review quality. The Committee may delegate pre-approval authority to its Chair. Any pre-approvals by the Chair under this delegation are to be reported to the Committee at its next scheduled meeting. All services performed for 2020 were pre-approved by the Committee.

The Board of Directors unanimously recommends ratification of the selection of PricewaterhouseCoopers LLP.

(3) OTHER MATTERS AND ANNUAL REPORT

As of the date of this proxy statement, management knows of no other business that will come before the meeting. Should other business be properly brought up, it is intended that proxies in the accompanying form will be voted thereon in accordance with the judgment of the person or persons voting such proxies.

In addition, for stockholder proposals or director nominations that a stockholder seeks to bring before the 2022 Annual Meeting, but does not seek to have included in the Fund's proxy statement and form of proxy for that meeting, the following requirements apply: Pursuant to the Fund's Bylaws, in order for stockholder proposals or nominations of persons for election to the Board of Directors to be properly brought before the 2022 Annual Meeting, any such stockholder proposal or nomination (including in the case of a nomination, the information required by the Fund's advance notice Bylaws provisions) must be received at the office of the Fund no earlier than September 26, 2021 and no later than October 26, 2021. The Fund's advance notice Bylaw requirements are separate from, and in addition to, the Commission's requirements (including the timing requirements described in the preceding paragraph) that a stockholder must meet in order to have a stockholder proposal included in the proxy statement. Should the Fund determine to allow a stockholder proposal that is received by the Fund after October 26, 2021 to be presented at the 2022 Annual Meeting, the persons named as proxies in the form accompanying the proxy statement for such meeting will have discretionary voting authority with respect to such stockholder proposal.
