February 5, 2024

Fellow Stockholders of

ADAMS DIVERSIFIED EQUITY FUND, INC.:

Notice is hereby given that the Annual Meeting of Stockholders of ADAMS DIVERSIFIED EQUITY FUND, INC., a Maryland corporation (the "Fund"), will be held at the offices of K&L Gates LLP at 1601 K Street, N.W., Washington, DC 20006, on Monday, March 25, 2024 at 2 p.m., local time, for the following purposes:

- (1) to elect directors as identified in the Proxy Statement to serve until the annual meeting of stockholders in 2025 and until their successors are duly elected and qualify;
- (2) to ratify the appointment of PricewaterhouseCoopers LLP to serve as the Fund's independent registered public accounting firm to audit the books and accounts of the Fund for the fiscal year ending December 31, 2024; and
- (3) to transact such other business as may properly come before the meeting or any adjournment or postponement thereof.

The Board of Directors unanimously recommends that stockholders vote **FOR** Proposals (1) and (2).

Stockholders of record, as shown by the transfer agent's books for the Fund, at the close of business on December 27, 2023, are entitled to notice of and to vote at this meeting. All Stockholders are cordially invited to attend the Annual Meeting.

THIS MEETING IS VERY IMPORTANT because Saba Capital Master Fund, Ltd., a hedge fund managed by Saba Capital Management, L.P, a closed-end fund activist, has announced its intention to seek election of seven nominees to the Board at the upcoming meeting. If all of the hedge fund's nominees are elected, they will replace the entire current Board of Directors of the Fund, which could result in material changes to the Fund.

By order of the Board of Directors,

Janis F. Kerns
Vice President, General Counsel & Secretary

Baltimore, MD

Note: Even if you plan to attend the meeting, stockholders are requested to fill in, sign, date and return the accompanying WHITE proxy card in the enclosed envelope without delay. Stockholders may also authorize their proxies by telephone and internet as described further in the enclosed materials.

**PLEASE VOTE USING THE ENCLOSED WHITE PROXY CARD
AND DISCARD ANY GOLD PROXY CARD YOU MAY RECEIVE.**

Because access to the building is restricted, please call the Fund at (800) 638-2479 or contact the Fund through our website at adamsfunds.com/contact if you plan to attend the Annual Meeting.

Question: What is different about this Annual Meeting?

Answer: This Annual Meeting is very important because a hedge fund managed by Saba Capital Management, L.P. (with its affiliates, “Saba”) has notified the Fund of its intent to propose an opposition slate of nominees to serve as directors, which your qualified Board unanimously OPPOSES. We urge you to review the proposal in the accompanying proxy statement and vote **FOR** your qualified Board using the enclosed **WHITE proxy card**.

The Nominating and Governance Committee reviewed both the current Fund directors and the potential director nominees from Saba and, after careful consideration, determined to recommend to the Board, and the Board determined to nominate, the current Directors to stand for re-election.

The Board also recommends that you vote **FOR** proposal (2) using the **WHITE proxy card** in order to ratify of the appointment of PricewaterhouseCoopers LLP to serve as the Fund’s independent registered public accounting firm to audit the books and accounts of the Fund for the fiscal year ending December 31, 2024.

To appear and vote at the meeting in person you will need additional documentation from your broker, bank, or the Fund’s transfer agent. **If you hold your shares in “street name,” (through a**

broker, bank or other nominee) you are strongly encouraged to vote your shares in advance of the Annual Meeting on the WHITE proxy card, as you will not be able to vote during the Annual Meeting itself unless you request and provide to the Fund a legal proxy from your nominee.

Question: Who are Saba Capital Management, L.P. and Saba Capital Master Fund, Ltd. and how are they involved in the Meeting?

Answer: Saba Capital Management, L.P. is a registered investment adviser that manages Saba Capital Master Fund, Ltd., which is a hedge fund. Saba has disclosed that it has acquired a position in the Fund representing 6.1% of the Fund's outstanding common stock as of the Record Date and intends to nominate an opposition slate of seven individuals, many who are closely aligned with Saba, to stand for election to the Board at the Annual Meeting. Saba has filed a preliminary proxy statement and may mail proxy materials to you to solicit your vote.

Question: What should I do if I receive any proxy materials or Gold proxy cards from Saba?

Answer: In the event you receive any separate proxy materials from Saba, your Board recommends that you DISCARD and DO NOT SIGN OR RETURN any Gold proxy card that may be sent to you by or on behalf of Saba. If you have already voted using a Gold proxy card sent to you by Saba, you can REVOKE IT BY VOTING USING THE **WHITE PROXY CARD** or by voting at the Annual Meeting. **Only your latest dated proxy will count**, and any proxy may be revoked at any time prior to its exercise at the Annual Meeting. Saba's materials are their own, and the Fund is not responsible for the accuracy of any information contained in them or in any other statements that they may otherwise make.

Question: Will my vote make a difference?

Answer: **YES.** Your vote is very important and can make a difference in the governance and management of the Fund, no matter how many shares you own. **Please vote on the WHITE proxy card to ensure that the Fund Nominees will be elected and your qualified Board will continue to protect your investment.**

Proxy Statement

INTRODUCTION

The Annual Meeting of Stockholders of Adams Diversified Equity Fund, Inc., a Maryland corporation (the “Fund”), will be held on Monday, March 25, 2024, at 2 p.m., local time, at the offices of K&L Gates LLP at 1601 K Street, N.W., Washington, DC, 20006 for the purposes set forth in the accompanying Notice of Annual Meeting and also set forth below. This proxy statement is furnished in connection with the solicitation by the Board of Directors of proxies to be used at the meeting and at any and all adjournments or postponements thereof and is first being provided to stockholders on or about February 5, 2024.

At the Annual Meeting, action is to be taken on (1) the election of a Board of Directors; (2) the ratification of the selection of an independent registered public accounting firm; and (3) the transaction of such other business as may properly come before the meeting or any adjournment or postponement thereof.

THIS ANNUAL MEETING IS VERY IMPORTANT because Saba Capital Master Fund, Ltd., a hedge fund managed by Saba Capital Management, L.P. (with its affiliates, “Saba”), a closed-end fund activist, has announced its intention to seek election of seven nominees to the Board at the upcoming meeting. While you may receive solicitation materials from Saba regarding these nominations, no proposal or nomination from Saba is included in the Fund’s Proxy Statement or the enclosed proxy card. If properly presented at the Meeting and stockholders elect all of Saba’s nominees, they will replace the entire current Board of Directors, which could result in material changes to the Fund. The Board recommends that you DISGARD and DO NOT SIGN OR RETURN Saba’s Gold proxy card.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held On March 25, 2024:

This Proxy Statement, the Notice of Annual Meeting, a form of the proxy, and the Fund’s most recent Annual and Semi-Annual Reports to stockholders are all available on the internet at the following website:

<https://proxyvotinginfo.com/p/adamsfunds>

How You May Vote and Voting By Proxy

Provide voting instructions by using telephone or internet options as instructed in the enclosed **WHITE** proxy card, or by signing, dating, and mailing the **WHITE** proxy card. You may also vote in person at the Annual Meeting, however, even if you intend to do so, **please provide voting instructions by one of the methods described above**. Except for Proposals (1) and (2), referred to above, the proxies confer discretionary authority on the persons named therein or their substitutes with respect to any business that may properly come before the meeting, including any vote on adjournments. Stockholders retain the right to revoke executed proxies at any time before they are voted by written notice to the Fund, by executing a later dated proxy, or by appearing and voting at the meeting. All shares represented at the meeting by proxies in the accompanying form will be voted, provided that such proxies are properly executed. In cases where a choice is indicated, the shares represented will

be voted in accordance with the specifications so made. In cases where no specifications are made, the shares represented will be voted **FOR** Proposals (1) and (2) and FOR, ABSTAIN, or AGAINST any other matters, including any vote on adjournments, acted upon at the meeting in the discretion of the persons named as proxies.

PLEASE VOTE USING ONLY THE ENCLOSED WHITE PROXY CARD. Returning Saba's Gold proxy card, even to withhold votes on Saba's nominees, will revoke any WHITE proxy card previously returned to the Fund. **Please DISCARD ANY GOLD PROXY CARD you receive.**

If your shares are held in the name of a bank, broker, or other holder of record, you will receive instructions from the holder of record that you must follow in order to vote your shares. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a broker's proxy card and bring it with you to the Annual Meeting in order to vote.

If you have questions regarding how to attend the meeting and vote in person, please contact the Secretary of the Fund by telephone at (800) 638-2479 or contact the Fund through our website at adamsfunds.com/contact.

Who May Vote

Only stockholders of record at the close of business on December 27, 2023 may vote at the Annual Meeting. The total number of shares of common stock of the Fund ("Common Stock") outstanding and entitled to be voted on the record date was 124,014,218. Each share is entitled to one vote. The Fund has no other class of security outstanding.

Vote Requirement

For Proposal (1), referred to above, directors shall be elected by a plurality of the votes cast at the meeting. Proposal (2), referred to above, requires the affirmative vote of a majority of the votes cast at the meeting.

Quorum Requirement

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting are present in person or by proxy, a quorum will exist. Proxies received by the Fund that are marked "withhold authority" or abstain, or that constitute a broker non-vote, are counted as present for purposes of establishing a quorum. A broker non-vote occurs when a broker returns a valid proxy but does not vote on a particular matter because the broker does not have the discretionary voting power for that matter and has not received instructions from the beneficial owner. Proxies marked "withhold authority," abstentions, and broker non-votes do not count as votes cast with respect to any proposal, and therefore, such proxies would have no effect on the outcome of Proposals (1) and (2) above.

Appraisal Rights

Under Maryland law, there are no appraisal or other dissenter rights with respect to any matter to be voted on at the Annual Meeting that is described herein.

Other Matters

The Fund will pay all costs of soliciting proxies for the Annual Meeting. To aid in the solicitation of proxies, the Fund has retained Morrow Sodali Fund Solutions, 430 Park Avenue, 14th Floor, New York, NY 10022 (“MSFS”) for an estimated fee of about \$400,000. The Fund may incur additional fees if it requests additional services. MSFS estimates that approximately fifty of its employees will assist in the Fund’s proxy solicitation. In addition, officers, regular employees, and other agents of the Fund may solicit proxies in person, by telephone, video conference, e-mail, text message, facsimile, personal calls or other electronic means. None of the officers or employees will be paid for these services. The Fund expects to request brokers and nominees who hold stock in their names to furnish this proxy material to their customers and to solicit proxies from them, and will reimburse such brokers and nominees for their out-of-pocket and reasonable clerical expenses in connection therewith. The Fund’s aggregate expenses in connection with its solicitation of proxies, excluding normal expenses related to a non-contested solicitation of proxies and excluding salaries and wages of our officers and regular employees, are expected to aggregate to approximately \$542,000, of which approximately \$214,000 has been spent to date.

Fund Complex

The Fund is part of Adams Funds (the “Fund Complex”), which is composed of the Fund and Adams Natural Resources Fund, Inc. (“PEO”), a closed-end investment company that is also traded on the New York Stock Exchange.

(1) NOMINEES FOR ELECTION AS DIRECTORS

Unless contrary instructions are given by the stockholder signing a proxy, it is intended that each proxy in the accompanying form will be voted at the Annual Meeting for the election of the following nominees to the Board of Directors to serve until the annual meeting of stockholders in 2025 and until their successors are duly elected and qualify, all of whom have consented to serve if elected:

Kenneth J. Dale	Mary Chris Jammet	Mark E. Stoeckle (*)
Frederic A. Escherich	Lauriann C. Kloppenburg	
James P. Haynie*	Jane Musser Nelson	

* Mr. Haynie and Mr. Stoeckle are "interested persons," as defined by the Investment Company Act of 1940, as amended, because they are current and retired officers, respectively, of the Fund.

If for any reason one or more of the above-named nominees shall become unable or unwilling to serve when the election occurs, proxies in the accompanying form will, in the absence of contrary instructions, be voted for the election of the other above-named nominees and may be voted for substitute nominees in the discretion of the persons named as proxies in the accompanying form. As an alternative to proxies being voted for substitute nominees, the size of the Board of Directors may be reduced so that there are no vacancies caused by an above-named nominee becoming unable or unwilling to serve. The directors elected will serve until the next annual meeting or until their successors are duly elected and qualify, unless otherwise provided in the Bylaws of the Fund.

The Board of Directors unanimously recommends that stockholders vote FOR the election of the Fund's nominees using the WHITE proxy card.

Please **DISCARD and do NOT send back the Gold proxy card** you may receive from Saba, even to withhold votes on Saba's nominees, as this will revoke any prior vote for your Fund's nominees.

Board's Oversight of Risk Management for the Fund

The Board's role in risk management of the Fund is that of oversight. The internal staff of portfolio managers, research analysts, and administrative personnel is responsible for the day-to-day management of the Fund, including risk management in such aspects as investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk, and operational risk. As part of its oversight, the Board has delegated to the Audit Committee the primary role of overseeing the assessment and management of risks, including major financial risks, by the Fund's management and the steps that management has taken to monitor and control such risks. The Audit Committee reports to the Board at least quarterly on its discussions of these items with management. In addition, the Board, acting at its regularly scheduled meetings, receives reports from senior management, including the Fund's portfolio management team, the Chief Compliance Officer, and the Chief Financial Officer. Between Board meetings, the Executive Committee, and/or the Chair of the Board, and/or the Chairman of the Audit Committee, as appropriate, interact with the CEO and other senior executives on any matter requiring action by or notice to the Board. The Board also receives periodic presentations from senior management regarding specific operational, compliance, or investment areas, such as business continuity, personal trading, valuation, investment research, and securities lending, and receives reports from the Fund's General Counsel regarding regulatory, compliance, and governance matters. The Fund believes that its leadership structure enhances risk oversight. It should be noted that, in its oversight role, the Board is not a guarantor of the Fund's investments or activities.

Process for Stockholders to Communicate with Board

The Board of Directors has implemented a process for stockholders of the Fund to send communications to the Board. Any stockholder desiring to communicate with the Board, or with specific

individual directors, may do so by writing to the Secretary of the Fund at Adams Diversified Equity Fund, Inc., 500 E. Pratt Street, Suite 1300, Baltimore, MD 21202, or by sending an email message to the Secretary at adamsfunds.com/contact. The Secretary has been instructed by the Board to promptly forward all such communications to the addressees indicated thereon.

Policy on Board of Directors' Attendance at Annual Meetings

The Fund's policy with regard to attendance by the Board of Directors at Annual Meetings is that all directors are expected to attend Annual Meetings that occur on the same day as a Board meeting, absent unusual and extenuating circumstances that prohibit attendance. All of the directors submitted for election attended the 2023 Annual Meeting.

Section 16(a) Beneficial Ownership Reporting Compliance

Each director and officer of the Fund who is subject to Section 16 of the Securities Exchange Act of 1934, as amended, and persons who own more than ten percent of a registered class of the Fund's securities are required to report to the Securities and Exchange Commission (the "Commission") by a specified date his or her beneficial ownership of or transactions in the Fund's securities. Based upon a review of filings with the Commission, such forms received by the Fund, and written representations that no other reports are required, the Fund believes that each director and officer, with one exception, filed all requisite reports with the Commission on a timely basis during 2023. The Fund had no greater-than-ten-percent beneficial owners in 2023.

The Board held seven regular meetings and one special meeting in 2023. Further information about the Board and its committees is provided below.

Audit Committee

Ms. Jammet (Chair), Mr. Dale, Mr. Escherich, Ms. Kloppenburg, and Ms. Musser Nelson, each of whom is an independent director as such is defined by the rules of the New York Stock Exchange, and

none of whom is an “interested person” as such is defined by the Act, constitute the membership of the Board’s Audit Committee, which met four times in 2023. The Board has determined each of Ms. Jammet, Ms. Musser Nelson, Mr. Dale, Mr. Escherich, and Ms. Kloppenburg to be an audit committee financial expert, as that term is defined in federal securities regulations. The Board has adopted a written charter under which the Committee operates. A copy of the Audit Committee Charter (“Charter”) is available on the Fund’s website: adamsfunds.com. Set forth below is the report of the Committee for the 2022 fiscal year as the audit of the Fund’s 2023 fiscal year is not yet complete. Once the audit is complete and the Audit Committee has met with the Fund’s auditors, the Fund will file the 2023 fiscal year Audit Committee Report in additional proxy materials.

Audit Committee Report

The purposes of the Audit Committee are set forth in the Committee’s written Charter. As provided in the Charter, the role of the Committee is to assist the Board of Directors in its oversight on matters relating to accounting, financial reporting, internal control, auditing, risk assessment and risk management, regulatory compliance activities, and other matters the Board deems appropriate. The Committee also selects the Fund’s independent registered public accounting firm in accordance with the provisions set out in the Charter. Management, however, is responsible for the preparation, presentation, and integrity of the Fund’s financial statements, and for the procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for planning and carrying out proper audits.

In fulfilling its responsibilities, the Committee has reviewed and discussed the audited financial statements contained in the 2022 Annual Report of the Fund with the Fund’s management and with PricewaterhouseCoopers LLP (“PwC”), the Fund’s independent registered public accounting firm. In addition, the Committee has discussed with PwC the matters required to be discussed pursuant to Statement of Auditing Standards No. 61, as modified or supplemented. The Committee has also received from PwC the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding PwC’s communications with the Committee concerning independence, considered whether the provision of nonaudit services by PwC is compatible with maintaining PwC’s independence, and discussed with PwC its independence.

In reliance on the reviews and discussions with management and PwC referred to above, and subject to the limitations on the responsibilities and role of the Committee set forth in the Charter and discussed above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Fund’s 2022 Annual Report for filing with the Securities and Exchange Commission.

Respectfully submitted on February 9, 2023, by the members of the Audit Committee of the Board of Directors:

Kathleen T. McGahran
Mary Chris Jammet
Jane Musser Nelson

Compensation Committee

Ms. Kloppenburg (Chair), Mr. Escherich, Ms. Jammet, Ms. Musser Nelson, and Mr. Stoeckle constitute the membership of the Board’s Compensation Committee, which met six times in 2023. The Committee reviews and approves the compensation of the directors, officers, and employees, including salaries and the cash incentive compensation plans in which the executive officers, officers and

employees of the Fund are eligible to participate. The Board has adopted a written charter under which the Compensation Committee operates, a copy of which is available on the Fund's website: adamsfunds.com.

Executive Committee

Mr. Dale (Chair), Mr. Escherich, Ms. Jammet, Ms. Kloppenburg, and Mr. Haynie constitute the membership of the Board's Executive Committee, which met one time in 2023. The Committee has the authority of the Board of Directors between meetings of the Board except as limited by law, the Fund's Bylaws, or Board resolution.

Nominating and Governance Committee

Mr. Escherich (Chair), Ms. Jammet, Ms. Kloppenburg, Ms. Musser Nelson, and Mr. Stoeckle constitute the membership of the Board's Nominating and Governance Committee, which met four times in 2023. The Board has adopted a written charter under which the Nominating and Governance Committee operates, a copy of which is available on the Fund's website: adamsfunds.com.

Among other responsibilities, the Committee supervises and reviews Board composition, director nominations, and corporate governance matters. For director nominations, the Committee leads the search for qualified director candidates, including canvassing, recruiting, evaluating, and recommending nominees to the full Board.

Stockholders may recommend candidates for consideration by the Committee by writing to the Secretary of the Fund at the office of the Fund, 500 E. Pratt Street, Suite 1300, Baltimore, MD 21202, giving the candidate's name, biographical data, and qualifications, and stating whether the candidate would be an "interested person" of the Fund. A written statement from the candidate, consenting to be named as a candidate, and if nominated and elected, to serve as a director, should accompany any such recommendation.

In connection with the Annual Meeting, Saba submitted a notice of intent to nominate director nominees. The Nominating and Governance Committee and the Board reviewed Saba's notice of intent and additional information, including that provided by Saba regarding the qualifications of its director nominees, along with information regarding the Fund Nominees. After careful consideration, the Nominating and Governance Committee determined to recommend the Fund Nominees to the Board and the Board determined to nominate the Fund Nominees. The Board therefore recommends that stockholders vote **FOR the Fund Nominees on the WHITE proxy card** and NOT vote for Saba's nominees on the Gold card.

The Board appreciates the value of diversity in its membership. In practice, when evaluating director candidates, the Committee and the full Board considers the diversity of skills, experience and/or perspective a prospective nominee would bring to the Board, both individually and in the context of the Board's existing membership at the time such potential candidate is considered.

Transactions with Adams Natural Resources Fund, Inc.

The Fund shares certain expenses for research, accounting services, other office services (including proportionate salaries and other employee benefits), rent and related expenses, and miscellaneous expenses, such as office supplies, postage, subscriptions, and travel, with PEO. These expenses are paid by the Fund and, on the date the payment is made, PEO simultaneously pays to the Fund its allocated share of such expenses, based on either the proportion of the size of the investment

portfolios of the two funds, relative net assets of the two funds excluding affiliated holdings, or, where possible, on an actual usage basis, in accordance with the Fund's expense allocation policy. In 2023, the Funds incurred \$18,244,915 in shared expenses, and PEO's share of such expenses was \$4,119,283.

Compensation of Directors and Executive Officers

Each director who is not an interested person receives a retainer fee of \$65,000 for the fiscal year corresponding to their term of service. ^(d) Member of Nominating and Governance Committee

2005 Equity Incentive Compensation Plan

In 2005, the Board of Directors adopted and stockholders approved the Fund's 2005 Equity Incentive Compensation Plan ("2005 Plan"). Stockholders reapproved the 2005 Plan in 2010, and it

expired by its terms on April 27, 2015. The 2005 Plan was administered by the Compensation Committee, and awarded grants of restricted and deferred stock units and dividend equivalents on those units. All grants under the 2005 Plan vested prior to 2019. Certain restricted and deferred stock units awarded under the 2005 Plan, for which payment has been deferred by election of the recipient, remain outstanding. All deferred and outstanding awards represent rights to receive Fund stock.

Employee Thrift Plans

Employees of the Fund who have completed six months of service may defer up to 100% of base salary and cash incentive compensation to a tax qualified thrift plan (“Thrift Plan”) instead of being paid currently, and the Fund contributes an amount equal to 100% of each employee’s contribution (up to 6% of base salary and cash incentive compensation) but not in excess of the maximum permitted by law (see footnote (1) to the Compensation Table set forth above regarding 2023 contributions for the officers identified therein). The Fund also has the discretion to contribute annually to each employee’s thrift plan account an amount of up to 6% of the employee’s combined base salary and cash incentive compensation attributable to the prior year’s service with the Fund. All employee contributions are credited to the employee’s individual account. Employees may elect that their salary deferral and other contributions be invested in the common stock of the Fund or PEO, or a number of mutual funds, or a combination thereof. All of the Fund’s matching contribution is invested in accordance with the employee’s investment elections. An employee’s interest in amounts derived from the Fund’s contributions becomes non-forfeitable upon completion of 36 months of service or upon death or retirement. Payments of amounts not withdrawn or forfeited under the Thrift Plan may be made upon retirement or other termination of employment.

The Fund also maintains an Executive Nonqualified Supplemental Thrift Plan for eligible employees of the Fund (the “Nonqualified Plan”). The purpose of the Nonqualified Plan is to provide deferred compensation in excess of contribution limits imposed by the Internal Revenue Code on tax-qualified thrift plans, including the Thrift Plan described above. In accordance with such limitations, for 2023, the maximum annual amount that an individual can defer to the Thrift Plan is \$22,500 for those under the age of 50, and \$30,000 for those age 50 and over, and the maximum combined amount – consisting of both the employee’s contributions and the Fund’s matching contributions – that can go into the Thrift Plan is \$66,000 per year for those under the age of 50 and \$73,500 per year for those age 50 and over.

The Nonqualified Plan permits an eligible employee to contribute to the Nonqualified Plan up to the maximum amount of 6% of the employee’s salary and cash incentive compensation that he or she is prevented from contributing to the Thrift Plan because of the Internal Revenue Code’s limitations on annual contributions, and for the Fund to contribute the 100% matching contribution on that sum and/or the Fund’s discretionary contribution that would otherwise be limited by the Internal Revenue Code’s limitations on annual contributions. The employee’s contributions and the Fund’s contributions to the Nonqualified Plan are invested in eligible mutual funds in accordance with the employee’s investment elections.

Brokerage Commissions

During the past fiscal year, the Fund paid brokerage commissions in the amount of \$1,018,254 on the purchase and sale of portfolio securities traded on the New York Stock Exchange and the National Association of Securities Dealers Automated Quotation System, and on swap transactions, substantially all of which were paid to brokers providing research and other investment services to the Fund. The average per share commission rate paid by the Fund was \$0.03. No commissions were paid to an affiliated broker.

Portfolio Turnover

The portfolio turnover rate (purchases or sales, whichever is lower, as a percentage of average portfolio value) for the past three years has been as follows:

<u>2023</u>	<u>2022</u>	<u>2021</u>
63.6%	67.7%	64.4%

Expense Ratio

The ratio of expenses to the average net assets of the Fund for the past three years has been as follows:

<u>2023</u>	<u>2022</u>	<u>2021</u>
0.61%	0.54%	0.56%

The Board of Directors unanimously recommends that stockholders vote FOR the election of each of the Fund's nominees for director.

Please DISCARD and do NOT send back the Gold proxy card you may receive from Saba, even to withhold votes on Saba's nominees, as this will revoke your prior vote for your Fund's nominees.

(2) RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As permitted under the Act, the Audit Committee selected PricewaterhouseCoopers LLP, 100 E. Pratt Street, Suite 2600, Baltimore, MD 21202, an independent registered public accounting firm, for recommendation to the full Board as the independent registered public accounting firm to audit the books and accounts of the Fund for the year ending December 31, 2024. PricewaterhouseCoopers LLP was the Fund's principal auditor during the year 2023. A majority of the members of the Board of Directors who are not "interested persons" (as defined by the Act) have approved the selection of PricewaterhouseCoopers LLP as the Fund's independent registered public accounting firm for 2024. While not required under the Act, the Audit Committee and the Board of Directors have determined to submit for stockholder ratification the selection of PricewaterhouseCoopers LLP as the Fund's independent registered public accounting firm for 2024 at the Annual Meeting. If the stockholders do not ratify the selection of PricewaterhouseCoopers LLP, the Board of Directors will reconsider whether or not to appoint PricewaterhouseCoopers LLP, but may nonetheless appoint such firm. Representatives of PricewaterhouseCoopers LLP are not expected to be present at the meeting but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence. The Fund has been informed that PricewaterhouseCoopers LLP does not have any direct financial or any material indirect financial interest in the Fund.

Independent Accountant Fees

Audit Fees

The aggregate fees for professional services rendered by the Fund's independent registered public accounting firm, PricewaterhouseCoopers LLP, for the audit of the Fund's annual financial statements for 2023 and 2022 were \$122,011 and \$115,105, respectively.

Audit-Related Fees

There were no audit-related fees in 2023 or 2022.

Tax Fees

The aggregate fees for professional services rendered to the Fund by PricewaterhouseCoopers LLP for the review of the Fund's excise tax calculations and preparations of federal, state, and excise tax returns for 2023 and 2022 were \$14,310 and \$13,500, respectively.

All Other Fees

Other fees for services rendered to the Fund by PricewaterhouseCoopers LLP for 2023 and 2022 were \$725 and \$3,532, respectively. Fees were related to licenses for technical reference tools.

The Board's Audit Committee has considered the provision by PricewaterhouseCoopers LLP of the services covered in this All Other Fees section and found that they are compatible with maintaining PricewaterhouseCoopers LLP's independence.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent auditors. In assessing requests for services by the independent auditors, the Committee considers whether such services are consistent with the auditor's independence; whether the independent auditors are likely to provide the most effective and efficient service based upon their familiarity with the Fund; and whether the service could enhance the Fund's ability to manage or control risk or improve financial statement audit and review quality. The Committee may delegate pre-approval authority to its Chair. Any pre-approvals by the Chair under this delegation are to be reported to the Committee at its next scheduled meeting. All services performed for 2023 were pre-approved by the Committee.

The Board of Directors unanimously recommends ratification of the selection of PricewaterhouseCoopers LLP.

(3) OTHER MATTERS AND ANNUAL REPORT

As of the date of this proxy statement, management knows of no other business that will come before the meeting. Should other business be properly brought up, it is intended that proxies in the accompanying form will be voted thereon in accordance with the judgment of the person or persons voting such proxies. The chairman of the meeting may, in the chairman's discretion, adjourn the meeting to a later date and time.

The Annual Report of the Fund for the year ended December 31, 2023, including financial statements, is being mailed to all stockholders entitled to notice of and to vote at the Annual Meeting to be held on March 25, 2024. A copy of the Fund's Annual Report will be furnished to other stockholders, without charge, upon request. You may request a copy by contacting the Secretary of the Fund at 500 E. In addition, for stockholder proposals or director nominations that a stockholder seeks to bring before the 2025 Annual Meeting, but does not seek to have included in the Fund's proxy statement and form of proxy for that meeting, the following requirements apply: Pursuant to the Fund's Bylaws, in order for stockholder proposals or nominations of persons for election to the Board of Directors to be properly brought before the 2025 Annual Meeting, any such stockholder proposal or nomination (including in the case of a nomination, the information required by the Fund's advance notice Bylaws provisions) must be received at the office of the Fund no earlier than September 8, 2024 and no later than October 8, 2024 (5 p.m.). The Fund's advance notice Bylaw requirements are separate from, and in addition to, the Commission's requirements (including the timing requirements described in the preceding paragraph) that a stockholder must meet in order to have a stockholder proposal included in the proxy statement. Should the Fund determine to allow a stockholder proposal that is received by the Fund after October 8, 2024 (5 p.m.) to be presented at the 2025 Annual Meeting, the persons named as proxies in the form accompanying the proxy statement for such meeting will have discretionary voting authority with respect to such stockholder proposal.
